9:00am-12:00pm: Plenary Session

- NIST and DHS S&T Welcome Remarks
- Keynotes
- Perspectives from State Governments
- Presentations on Smart Cities & IoT, and Cybersecurity & Privacy

12:00pm-1:00pm: Lunch (on your own)

1:00pm-5:00pm: Breakout Sessions (Action Cluster Example Presentations and New Team Formation)

The goal of the breakout sessions is to form as many action clusters as possible in two days aligned with the goal of 2018 GCTC-SC3. Breakout sessions will be led by professional facilitators and SuperCluster chairs. Each breakout session will begin with a few short presentations from the teams accepted in 2018 GCTC-SC3, which will speak about (1) their project goals and progress (2) cybersecurity/privacy considerations in their projects. After the presentations, facilitators and SuperCluster chairs will help the attendees to build new action clusters and/or add additional partners to the existing action clusters.
